Two of the biggest voices in music history never had the opportunity to perform together, live in concert. Now, this is your chance to experience what it would have been like to see Ol' Blue Eyes and Babs share the stage. The two performers paying tribute to these legends – Sharon Owens and Sebastian Anzaldo – sound like Frank and Barbra, they look like Frank and Barbra, and man, will they blow your mind. They'll cover everything from "Don't Rain on My Parade" to "The Way You Look Tonight" and so many more of those classic tunes you know and love in this glamorous, heart-warming and spectacular show you won't want to miss.
