The Washington Times put it best: “Riverdance is quite simply incredible...a phenomenon of historic proportions.” This internationally–acclaimed group of foot–tapping men and women is celebrating two decades of reels, jigs and just downright spectacular performances, so they’re dominating the Paramount stage for a full weekend of nothing but Irish dance and music. Whether you’ve seen Riverdance before or only heard about their high–energy live shows, you’ll want to see what they’ve put together for this 20th anniversary tour. Let’s just say it gives the phrase “the luck of the Irish” a whole new meaning.
